Central leaders' bid to heal rift in Assam JLP

By Our Staff Correspondent

SHILLONG, March 9: Efforts made by Mr. Surendra Mohan, a Central Janata leader, to settle the differences in the Assam JLP have not yielded any fruits.

Two other Central leaders, Mr. R. K. Hegde, general secretary, and Mrs. Renuka Devi Barkataki, Union minister of state for social welfare, are scheduled to reach Gauhati on Sunday to bring about a rapprochement between the rival factions.

The chief minister, Mr. Golap Borborah, has already acquainted Mr. Surendra Mohan with various organisational problems including the dissidents' demand for a change in leadership of the JLP.
