

Air Chief's Visit To North-East

By a Staff Reporter

During his first visit to the eastern States after assuming the office of Chief of the Air Staff earlier this week, Air Chief Marshal Dilbagh Singh congratulated Air Force men at Shillong on their able support to the Army in combating insurgent activities and helping civilians. The Air Chief was accompanied by his wife, Mrs Parkash Dilbagh Singh.

Referring to the geographical difficulties in which Air Force men in the north-east had to work, Air Chief Marshal Singh highlighted welfare measures for the airmen initiated by his predecessor, Air Chief Marshal I. H. Latif.

The new Air Chief called on Mr Prakash Mehrotra, Assam and Meghalaya Governor, at Shillong on Monday. At Tezpur, he was presented a guard of honour by Air Force personnel. The Air Chief returned to Delhi on Wednesday after a stopover at Kalaikunda.
